Intrinsic Imaging at ASCO 2016

Intrinsic Imaging to attend the 2016 ASCO Annual Meeting in Chicago, themed "The Future of Patient-Centered Care and Research."

Bolton, MA and San Antonio, TX

Bolton, MA and San Antonio, TX, May 24, 2016 — Intrinsic Imaging will be attending ASCO, one of the world's largest professional meetings focused on oncology research and treatment. Over 30,000 professionals will join in Chicago to learn more about this year's theme, "The Future of Patient-Centered Care and Research".

Meet with Todd Joron, Intrinsic Imaging's President and COO, and Amy Zastawney, VP of Business Development, to learn how Intrinsic Imaging can use our depth of experience and expertise to provide imaging core lab services for your next patient-centered clinical trial.

Intrinsic Imaging Advantages

- 67+ full-time, board certified, fellowship trained radiologists
- Expertise across all therapeutic areas and indications
- ISO certified quality management system

About Intrinsic Imaging, LLC
